FACTS THAT ARE UNDENIABLE.

"TO THE VICTOR BELONGS THE SPOILS"

Such is the cry of UNSCRUPULOUS firms, who, in their endeavor to impose upon the credulity of the public, resort to illegitimate means to dispose of their wares. As an illustration, we quote from their advertisements a few of the many devices practiced by them, to-wit: "DOLLAR ARTICLES FOR TWENTY-FIVE CENTS, ROOM WANTED," and what is still more suggestive, EVASIVE LOTTERY SCHEMES, etc.

Influenced, as we are, by the legitimate principles of a square-dealing house, we deem it incumbent upon us to warn the public against the nefarious practices of the GRABBERS. And although it is neither our wish or desire to dictate to them HOW their business SHOULD be conducted, we do object to their sailing under FALSE COLORS. We Estree would call the attention of the public to the gluring advertisements, in which a firm alleghig to sell goods at ONE PRICE (1), marks an article one day at \$6.50, and the next day at \$2.00, and perhaps to-morrow the article may be worth \$3 00, in that ONE PRICE ?? establishment, The persons who purchase the article at \$6.50 and note the same artiele advertised on the following day at \$2.00, cannot but feel that they have been the victims of imposition and misplaced confidence.

Such proceedure surely has not the tendency to win public appreciation or an increase of trade, but manifestly demonstrates the fact that their business IS UNDOUBTEDLY conducted on the "SPOILS SYS-TEM:" YOUR MONEY, WITHOUT VALUATION THEREFOR.

Such inconsistencies are against all force of reason. WE, do NOT propose to give excessive valuation of a dollar invested Will be sold, and we guarantee them to come cut. There is no other bonse here with us, but a POLLAR'S VALUE OF A DOLLAR'S ENVESTMENT. or elsewhere that offers such care inducements.
